OFFICE MEMORANDUM

No. AR-1/8/88

Dated Kohima, the 13th Aug. 2018.**Procedure/guidelines to be observed by the Departmental Promotion Committee for Non-Gazetted Posts in the Departments.**

1. In continuation of this Department's Notification of even number dated 21st Dec. 2016, the following laid down procedure shall be observed by the Departmental Promotion Committee for consideration of promotion for non-gazetted posts in the Department/ Offices under the Government of Nagaland with effect from the date of its publication in the Gazette.
2. The Departmental Promotion Committee shall objectively assess the suitability of the candidates. The DPC shall not conduct interview unless it is specifically provided in the Recruitment/Service Rules for the relevant post.
3. The detailed guidelines are enclosed and attached as ANNEXURE (DPC).

Sd/-**AKUNU S. MEYASE**

Joint Secretary to the Government of Nagaland

ANNEXURE (DPC)**1. Guidelines for (Non-Gazetted) Departmental Promotion Committee (DPC)**

- 1.1 The regular promotions of the government employees are generally decided on the basis of recommendations made by the Departmental Promotion Committees. The Departmental Promotion Committees are constituted to judge the suitability of officers for:-
 - (a) promotions to "Selection" as well as "Non-selection" posts
 - (b) assessment of the work and conduct of probationers for the purpose of determining their suitability for retention in service or their discharge from it or extending their probation and subsequent confirmation if found suitable for retention in service.
- 1.2 Where the Recruitment/Service Rules lay down promotion as one of the methods of recruitment, some period of service in the feeder grade is generally prescribed as one of the conditions of eligibility for the purpose of promotion. The eligibility dates for determining the eligibility of officers for promotion shall be the first day of the crucial year, i.e. January, 1 irrespective of whether APARs are written financial year-wise or calendar year-wise.

2. The following guidelines are laid down to regulate the assessment of suitability of candidates by DPCs:

- 2.1 While merit has to be recognized and rewarded, advancement in an officer's career shall not be regarded as a matter of course, but shall be earned by dint of hard work, good conduct and result-oriented performance as reflected in the annual performance assessment reports and based on strict and rigorous selection process. Annual Performance Assessment Reports are the basic inputs on the basis of which assessment is to be made by each DPC.
- 2.2 The evaluation of APARs shall be fair, just and non-discriminatory. Hence, the DPC shall assess the suitability of the employees for promotion on the basis of their Service Records and with particular reference to the APARs for five preceding years irrespective of the qualifying service prescribed in the Service/Recruitment Rules. (If more than one APAR has been written for a particular year, all the APARs for the relevant years shall be considered together as the APAR for one year). Where one or more APARs have not been written for any reason during the relevant period, the DPC shall consider the APARs of the years preceding the period in question and if in any case even these are not available, the DPC shall take the APARs of the lower grade into account to complete the number of APARs required to be considered as per above para. If this is also not possible, all the available APARs shall be taken into account.
- 2.3 Where for reasons beyond control, the DPC could not be held in a year(s), even though the vacancies arose during the year(s), the first DPC that meets shall follow the following procedure:-
 - (i) Determine the actual number of regular vacancies proposed to be filled for each year of the vacancy years separately.
 - (ii) Consider in respect of each of the year(s) only those officers who shall be within the field of choice with reference to the vacancies starting with the earliest year onwards.
 - (iii) Prepare a 'Select List' by placing the select list of the earlier year above the one for the next year and so on.

ANNEXURE (DPC)

- 2.4 Where a DPC has already been held in a year and further vacancies arise during the same year due to death, resignation, voluntary retirement etc, or because the vacancies were not intimated to the DPC due to error or omission on the part of the Department concerned, the following procedure shall be followed:-
- (i) In case of vacancies belonging to the category which could not be foreseen at the time of placing facts and materials before the DPC, another meeting of the DPC shall be held for drawing up a panel for these vacancies as these vacancies could not be anticipated at the time of holding the earlier DPC. If, for any reason, the DPC cannot meet for the second time, the procedure of drawing up of year-wise panels may be followed when it meets next for preparing panels in respect of vacancies that arise in subsequent year(s).
 - (ii) In case of non-reporting of vacancies due to error or omission (i.e. though the vacancies were there at the time of holding of DPC meeting they were not reported to it) which results in injustice to the officers concerned by artificially restricting the zone of consideration, the wrong done cannot be rectified by holding a second DPC or preparing year-wise panel. In all such cases, a review DPC shall be held keeping in mind the total vacancies of the year.
- 2.5 For the purpose of evaluating the merit of the officers while preparing year-wise panels, scrutiny of the record of service of the officers shall be limited to the records that would have been available had the DPC met at the appropriate time. For instance, for preparing a panel relating to the vacancies of 2010-2011 the latest available records of service of the officers up to the period ending March 2009 as the case may be should be taken into account and not the subsequent one. However, if on the date of the meeting of the DPC, Departmental Proceedings are in progress and under the existing instructions sealed cover procedure is to be followed, such procedure should be observed even if Departmental Proceeding were not in existence in the year to which the vacancy is related. The officer's name should be kept in the sealed cover till the proceedings are finalized.
- 2.6 While promotions shall be made in the order of the consolidated select list, each promotion shall have only prospective effect even in cases where the vacancies relate to earlier year(s).
- 3. Principles to be observed for preparation of panel:**
- 3.1 In case of 'selection' (merit) promotion, the hitherto existing distinction in the nomenclature ('selected by merit' and 'selection-cum-seniority') is dispensed with and the mode of promotion in all such cases is rechristened as 'selection' only. The element of selectivity (higher or lower) shall be determined with reference to the relevant benchmark ("Very Good" or "Good") prescribed for promotion. The DPC shall determine the merit of those being assessed for promotion with reference to the prescribed benchmark and accordingly grade the officers as 'fit' or 'unfit' only. Only those who are graded 'fit' (i.e. who meet the prescribed benchmark) by the DPC shall be included and arranged in the select panel in order of their inter-se seniority in the feeder grade. Those officers who are graded 'unfit' (in terms of the prescribed benchmark) by the DPC shall not be included in the select panel. Thus, there shall be no supersession in promotion among those who are graded 'fit' (in terms of the prescribed benchmark) by the DPC.

ANNEXURE (DPC)

- 3.2 Where promotions are to be made by selection or non-selection* method as prescribed in the Recruitment/Service Rules, the DPC shall, for the purpose of determining the number of officers who shall be considered from out of those eligible officers in the feeder grade(s), restrict the field of choice as under with reference to the number of clear vacancies including anticipated ones within the year proposed to be filled.

Number of vacancies	Number of officers to be considered
1	3
2	5
3 and above	Number of vacancies, plus 3

- 3.3 Where the promotions are to be made on 'Non-selection' basis according to Recruitment/Service Rules, the DPC need not make a comparative assessment of the records of officers and it shall categorize the officers 'fit' or 'not yet fit' for promotion on the basis of assessment of their service record.

4. Procedure to be followed by DPC in respect of government servants under cloud:

- 4.1 At the time of consideration of the cases of government servants for promotion, details of government servants in the consideration zone for promotion falling under the following categories should be specifically brought to the notice of the Departmental Promotion Committee:

- (i) Government servants under suspension;
- (ii) Government servants in respect of whom a charge-sheet has been issued and the disciplinary proceedings are pending; and
- (iii) Government servants in respect of whom prosecution for a criminal charge is pending.

- 4.2 The DPC shall assess the suitability of the government servants coming within the purview of the circumstances mentioned above along with other eligible candidates without taking into consideration the disciplinary case/criminal prosecution pending. The assessment of the DPC, including "Unfit for Promotion", shall be kept in a sealed cover. The same procedure outlined in the above para shall be followed by the subsequent Departmental Promotion Committees convened till the disciplinary case/criminal prosecution against the government servant concerned is concluded. It has been decided that the "Sealed Cover Procedure" prescribed in the Department of Personnel and Training, OM No. 22011/4/91-Estt.(A) dated 14.9.1992 referred to above may be followed at the time of consideration for ad hoc promotion also in the case of government servants:-

- (i) who are under suspension;
- (ii) in respect of whom a charge-sheet has been issued and the disciplinary proceedings are pending; and
- (iii) in respect of whom prosecution for a criminal charge is pending.

ANNEXURE (DPC)**5. Processing of recommendations of DPC:**

- 5.1 The recommendations of the DPC are advisory in nature and shall be duly approved by the appointing authority. The Vigilance clearance should also be obtained before making actual promotion or confirmation of officer approved by DPC to ensure that no disciplinary proceedings are pending against the officer concerned. Promotion should be made strictly in the order in which the names of the officers appear in the panel.

6. Refusal of promotion:

- 6.1 When a government employee does not want to accept an offer of promotion, he may make a written request to that effect and the same shall be considered by the appointing authority. If the reasons adduced for refusal of promotion are acceptable to the appointing authority, the next person in the select list may be promoted. However, since it may not be administratively possible or desirable to offer appointment to the persons who initially refused promotion, on every occasion on which a vacancy arises, during the period of validity of the panel, no fresh offer of appointment on promotion shall be made in such cases for a period of one year from the date of refusal of first promotion or till a new vacancy arises, whichever is later. On the eventual promotion to the higher grade, such government servant will lose seniority vis-a-vis her/his juniors promoted to the higher grade earlier irrespective of the fact whether the posts in question are filled by selection or otherwise. The above mentioned policy shall not apply where ad hoc promotions against short-term vacancies are refused. In cases where the reasons adduced by the officer for her/his refusal for promotion are not acceptable, the appointing authority should enforce the promotion of the officer and in case the officer still refuses to be promoted, then even disciplinary action can be taken against her/him for refusing to obey the orders of the appointing authority.

7. Validity of a panel:

- 7.1 The panel for promotion drawn up by DPC for 'selection' and 'non-selection'* posts would normally be valid for one year. It shall cease to be in force on the expiry of a period of one year or when a fresh panel is prepared, whichever is earlier. The date of commencement of the validity of panel shall be the date on which the DPC meets. In case the DPC meets on more than one day, the last date of the meeting shall be the date of commencement of the validity of the panel.

8. Benchmark:

- 8.1 Based on Finance Department O.M. No.FIN/ROP/19/2001 Dated 13th March, 2018, the benchmark for promotion shall be enhanced from 'Good' to 'Very Good' which shall take effect from 1st April, 2018.

OFFICE MEMORANDUM

No. AR-1/8/88

Dated Kohima, the 13th Aug. 2018.**Holding of DPC for non-gazetted post in various Departments.**

Instances have come to the notice of the Government that many Department/Offices generally issue the notice for DPC meeting one or two days ahead of the meeting date without giving sufficient time. This causes inconvenience for the concerned departmental representative to attend the DPC meeting.

In order to avoid this challenge, all the Departments are requested to ensure that the notice for DPC meeting should be issued well in advance, at least 7(seven) days before the date of the meeting after ensuring that all the relevant documents are in order.

Further, all the Departments are directed to ensure that the notice for the DPC meeting should be accompanied by a complete set of the agenda note. The Proforma for agenda note is enclosed as Annexure-I.
